

Fill in the 7 instructions yourself please. Again, the beq branch is taken so the first lw instruction will be repeated.

Cycle	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25

Write the list of VLIW instructions based on the above schedule (note: you may have less than 10 instructions).
